

Refugee & Migrant Forum Manchester

Overall Aim

We aim to empower refugees and asylum seekers to have a voice and the opportunity to represent the needs and aspirations of their own communities and those stated within the Refugee Charter for Manchester.

Key Objectives

To create channels of participation by which our members can access decision-makers and influence policy.

To be a point of contact for refugees & migrants: to share skills, information & resources and build respect and co-operation.

To raise awareness amongst the general public of issues facing refugees and migrants. To make links with other local communities and networks to encourage inclusion.

To provide information and advice on refugee and migrants issues to service providers and other interested parties.
